RESEARCH EXPERIENCE

Radford University, Radford VA

2022 to 2023

- “Policing Society” Portfolio

- Background research, literature reviews, attended project meetings for the following research projects:
 - U.S. Department of Justice, Bureau of Justice Assistance Grant
Project: *Implementation of Advanced Intelligence and Analytical Technology to Enhance Communication and Proactive Evidence-Based Response to Shooting Incidents in Kent County, Delaware*
 - U.S. Department of Justice, Office of Community-Oriented Policing Grant
Project: *Translating Best Practices: Developing a Framework for Institutionalizing Community Policing by Rank*
- Statistical analysis/Literature review/ Opportunity theory and social disorganization theory's effect on school shootings and how CPTED can prevent fatalities
- Qualitative analysis/ Original Tweet data gathered/ Buffalo mass shooting on May 14, 2022
- Policy Research
 - Created and presented a Logic Model, Op-Ed, Issue Brief, and Decision Memo (i.e., following the process of policy at each stage) on how to mandate the reporting of child pornography to law enforcement and the National Center for Missing and Exploited Children. This process also defines how to go about policy production at each stage and what is required to advance in the process.
- Deepfake White Paper and Research on Victim Assistance

TEACHING EXPERIENCE

Radford University, Radford, VA

August 2022 to May 2023

- **Teaching Assistant**

PROFESSIONAL TRAINING

Certificate in Cybersecurity Awareness, Department of Defense

- The cybersecurity awareness certificate informs individuals of the common threats, the indicators and countermeasures of phishing, malicious code, weak passwords, outdated software security, foreign removable media, and more.

OPSEC Awareness for Military Members, DoD Employees and Contractors, Administered by the DCSA

- The OPSEC Awareness Certificate is centrally focused on informing employees with highly sensitive information of the procedures required to ensure security and reduce the likelihood of victimization or exposure of classified material.

Private Investigator (02E) Certification, Administered by Safeside Tactical and Approved by the state of Virginia

- The private investigator (02E) training is a 60-hour course, with the addition of an exam and several relevant practical exercises. The course instruction covers relevant laws, ethics, terrorism training, standards of professional conduct, general investigative skills, and how to go about different types of investigations.
